“Hey glowie, you picked one of the best servers to fuck around. The hard rules: No loli, no furry, no “its da joooz” (because its retarded), no nazi (because its retarded), and no insurrections. We talk about the truth and shit and enjoy calling each other n1ggers, ch1nks, n1ps, yanks, brit and doll fuckers. Also we talk about self sufficiency, meditation and conscience a lot. If I was your superior I would burn you for heresy for even having the knowledge of this server, so take care.”

Registration

Unless you are well versed in IT related topics, please read the following documents:

- [Step 1: Get familiar with the account creation process.](#) You can create an account for free on any server, read this article that provides details on how to create a new matrix account.
- [Step 2: Get familiar with mainstream servers.](#) This is a list of different mainstream servers you can register on.
- [Step 3: Select an uncensorable server for your matrix account.](#) This is a list of based servers that are banned from Matrix.org, here you can create a new account, and hopefully avoid censorship in the future.

We recommend the following servers for creating a new account:
